MEMORANDUM REGARDING COVID-19 AND THE WILLOW CUP

Updated Monday, November 30

Due to the ongoing risks associated with the Coronavirus (COVID-19) pandemic, and considering the travel requirements for this event, the Alabama–NW Florida Golf Foundation, Willow Point Golf & Country Club and Russell Lands are taking every precaution to ensure the health and safety of all players, guests and staff.

Please take a few moments to read over all the precautions we are taking to protect those involved with the Inaugural Willow Cup:

- Adhering to the most recent recommendations made by the Alabama Department of Public Health and the NCAA, all personnel will be required to wear a face covering or mask when inside the Willow Point Clubhouse and maintain a minimum distance of six feet from one another.

- If a player is exposed to COVID-19 (as defined by the Centers for Disease Control and Prevention) prior to the Tournament they ***must*** contact either the Willow Point golf shop or the Alabama–NW Florida PGA office to withdraw their spot from the Willow Cup. If a guest or staff member is exposed to COVID-19 they will not be allowed on property.

- Players will have a limited amount of time to warm up on the practice tee and should not arrive earlier than one (1) hour prior to their assigned starting time.

- All players, guests and staff are required to self-screen prior to arriving on property.

This document will be updated continually as the Willow Cup nears. Many thanks in advance for your cooperation and continued support. We are confident the Inaugural Willow Cup will be a memorable event for all, and a tradition we look forward to in the years ahead.

CONTACT INFORMATION:

Willow Point Golf Shop: (256) 212-1409
Alabama–NW Florida PGA Office: (205) 621-6401
